

Student Organization
Paper Fliers in the Law School

Watch this short video: <https://youtu.be/zyBjv7OWRpq>

Student organizations are able to hang up paper fliers about their events throughout the law school.

Please keep the number of fliers to a reasonable limit (**max amount of 10 fliers**).

Please take the fliers down immediately after the event.

Fliers may be taped up on any concrete surface.

Fliers may **not** be taped to walls, glass, wooden surfaces such as doors or the outside walls of 2404.

Please do not hang fliers on the front pillar at the west entrance to 2401 where the plaque commemorating Justice Franchinni is. Unfortunately, he passed away in this room while making a presentation to the 1L class for the LAB group class. Out of respect for his memory we ask that this space remain free from other postings. You can hang up fliers on the concrete wall across from there instead.
