

Student Organizations How to Reserve a Room

Check date, time and room availability from law school main page middle of the page:
<https://lawschool.unm.edu/index.html>

The screenshot displays the top section of the law school website. At the top right, there are two award logos: "preLaw BEST LAW SCHOOL FOR HISPANICS 2022" and "preLaw BEST LAW SCHOOL FOR NATIVE AMERICANS 2022", each with three stars. Below these is a "Law School Events" section with three buttons: "View Classroom Calendar" (circled in red), "View Academic and Legislative Calendars", and "UNM Law Commencement". The bottom section shows a grid of four social media-style posts from the University of New Mexico School of Law, including a photo of a building, a "WE'RE HIRING!" announcement, a congratulatory message for alumni winners, and another photo of a building.

Scroll through the dates to check to see if there are any conflicts

For example, the date this tip sheet was created, there are two things happening at noon on Monday August 22nd. Externship class in room 2416 and Study Hall and Drop in Tutoring in room 2402.

Consider carefully whether to schedule over another event or class. Some events may be negotiable in terms of rescheduling so it is encouraged for everyone to reach out and confer with each other.
