SUBJECT:

When I scheduled a faculty meeting for tomorrow, I forgot that I will be out of town. Could we meet this afternoon at 5:00 P.M. in the conference room? I would like to schedule a meeting at that time contingent upon objection by one or more of those who are entitled to attend.

We will discuss filling the new position that we have on the faculty. I have talked with Vice President Travelstead and received authorization to offer a little more money than I had last week, enough I hope to attract someone who has considerable experience if we wish to proceed that way.

I would like to discuss the social science methodologist at this meeting as well if possible.
