

UNM School of Law  
Faculty Meeting  
February 17, 1975  
4:00 p.m., Conference Room

MINUTES

Present: Associate Dean Desiderio; Assistant Dean Blackwell;  
Professors Ellis, Evans, Fink, Flickinger, Goldberg,  
Martinez, Minzner, Muir, Norwood, Parnall, Ragsdale,  
Raushenbush, Romero, Simson, Teitelbaum, Utton, Walden;  
Students Adler, Sanchez, Valdespino.

In the absence of Dean Hart, the meeting was called to order by Professor Utton, and attention was given to the following:

1. Minutes of the meetings of February 3 and 10, 1975, were approved.
2. Regarding a petition of Alexander King, Professor Parnall moved that Mr. King's suspension be changed to probation and that the rule for removal of incompletes be suspended in the case of Constitutional Law I because of the absence of Professor Walker. It is the sense of the faculty that Mr. King be counseled to curtail outside work and absences from classes. Motion passed.
3. Ms. Bertha Parker was invited to speak before the faculty. Professor Raushenbush moved that the suspension stand, but that she be readmitted next fall as a beginning student. Motion failed.

After discussion by the faculty, her oral petition for reinstatement was unanimously denied.

Meeting adjourned.

Respectfully submitted,

Louise R. Camp  
Secretary
