The meeting was called to order by Dean Desiderio. In the customary manner the faculty toasted Professor Goldberg, congratulating him on his appointment to the cabinet of Governor-elect Toney Anaya.

The main agenda item concerned faculty appointments. Winograd passed around sign-up sheets for interviewees Alfred Mathewson and R. G. Wilmot Lamprose. The Dean indicated that we will probably be able to hire two entry-level and two visiting professors. He stressed that this does not include the position presently held by Professors Dabney and Roll.

It was moved and seconded that Berta Hernandez be offered an entry-level position for the 1983-84 academic year. Motion carried.

Meeting adjourned.

Respectfully submitted,
