Dean Desiderio made the following announcements:

On Tuesday, November 13, Professor Kovnat will read a memorial minute for the late Professor Helene Simson immediately prior to the UNM Faculty Senate meeting being held at 3:30 PM in the UNM Kiva. Also, the next issue of the New Mexico Law Review will be dedicated to the memory of Professor Simson. An appropriate permanent memorial in the law school building will be discussed with Professor Simson's family.

The faculty is invited and encouraged to attend a dinner being held by the law school alumni association on Friday evening, January 11, 1985. The featured speaker is scheduled to be incoming UNM President Thomas Farer, who will speak on human rights. Location will be announced.

With the end of the semester rapidly approaching please remember to get exams requiring typing to Janet Cox at least a week prior to the first exam date. Use of student evaluations forms for all courses is encouraged. Blank forms and information concerning procedures are available from Ed Fuge. Additionally, student requests to postpone final examinations should be initially directed to the Deans, who will if at all possible consult with the faculty member involved before making a decision.

Faculty discussion about the impact of possible changes in the university calendar on the law school calendar (referred to in earlier memos) will be held in abeyance pending further university action.

Students have requested the faculty be informed of a petition being circulated among the student body concerning continued publication of the "Shyster".

Professor Flickinger reminded the faculty that the faculty lounge is intended primarily for faculty use and that other rooms should be used for meetings involving non-faculty members.

Meeting adjourned at 4:30P.

Respectfully submitted,

E. K. Fuge, Faculty Secretary
