TO: Law School Faculty

FROM: Liz Jenkins-Smith, Faculty Secretary *J*

SUBJECT: Addendum to Faculty Meeting Minutes of 9/14/87

Upon the request of Dean Parnall, the total number of Law School graduates used to determine the top ten percent eligible for the Order of the Coif was recomputed. An error in the original figure was discovered which increased the total number of graduates from 92 to 98. Following the 1986 rules of the Order of the Coif, this means that an additional person may be added to those honored at the September 14th meeting. Thus the President of the UNM School of Law Chapter of the Order of the Coif, Garrett Flickinger, has designated that George McFall be included with those honored as new members of the Order of the Coif.
