Dean Parnall announced that faculty support services are in the process of reorganization. Word processing needs are now being handled by Torild Kristiansen and Sabra Dreyer and faculty members should take such projects directly to these two members of the staff. Non-word processing faculty support tasks should be directed to Janet Cox and Nancy Larson. Additional staff resources are available for special projects and needs and Peggy Lovato should be contacted to make these arrangements.

UNM School of Law will be hosting the regional CLEO program during the Summer of 1990. As in the past, the Instituto program will be incorporated into the CLEO program. A Director and several Instructors are needed, so interested faculty should talk to the Dean about participating.

Faculty were reminded that Mr. L. Stanley Chauvin, the President of the American Bar Association, will be visiting the Law School tomorrow, from 11:30 am - 1:00 pm. There will be a luncheon in the Forum and all faculty and students were invited to attend.
